MERS Premier Health Board votes to close MERS Premier Health; other programs unaffected.

August 4, 2009

The MERS Premier Health (MPH) Board voted last Thursday (July 30) to close MERS Premier Health as of January 31, 2010. Premier Health is a trust with a governing body that is separate and apart from the MERS Board, as required by state law. [Read more...](#)

Our vision is to improve the health and economic welfare of our

members and the Michigan communities that they support.

MERS Premier Health is a comprehensive health plan for active and retired employees, created to leverage MERS' expertise and municipalities' buying power to find a solution for health benefit plan design, wellness and administration.

MERS Premier Health is governed by the participating employers in the health program. Participating employers elect the Board of Trustees. While integrally connected to the Municipal Employees' Retirement System, MERS Premier Health is a public, non-profit health plan trust that is separate from MERS.

MERS Premier Health has partnered with two companies to promote healthier Michigan municipalities, [Read More...](#)
